- the terms and conditions of any written agreement between the student and WIN College are breached;
- the student who breaches their visa conditions or fails to meet course requirements.

2. Refunds

In circumstances where a default has occurred and WIN College cannot satisfy their obligations, the TPS Director will be advised. The TPS Director will then invite relevant providers to participate in a placement round.

**If a provider ceases to offer a course or courses before the student has finished the course, this is 'provider default' under the Education Services for Overseas Students Act 2000. The default date is the date where WIN College stopped providing the course. Provider defaults can include the course not starting on the agreed starting day; the course ceasing before it is completed, or the course not being provided in full to the student, and the student having not withdrawn before the default day.*
