## IMPORTANT NOTICE

RE: WIN College will return to on-campus learning with face-to-face classes from 01 July, 2023.

Dear Students,

Greetings from WIN College Australia.

We would like to formally notify you that WIN College will be returning to face-to-face class delivery for all students, effective from 01 July, 2023. Previously ASQA relaxed some requirements for overseas students during the COVID pandemic to support students during difficult times. However, with the international borders being open since last year and overseas students being able to travel to Australia, this flexibility will be ending by 30 June, 2023.

This means that the online learning mode-of-delivery will be discontinued for all the students, including Vocational and ELICOS students, from July 2023. WIN College will only conduct face-to-face delivery in order to ensure compliance with the National Code.

If you have any questions, please contact Student service Team at [studentservice@win.edu.au](mailto:studentservice@win.edu.au).

We thank you for your great support and co-operation at all times.

Kind regards,

Department of Student Services  
**WIN College**
